

The Division of Law is interested in procuring a method to efficiently keep track of their court case load by automating the calendaring process for 70 users primarily in the Tort section. Using already established electronic rules for filing dates and documents, the method will ensure that proper documentation is filed on time, and allows for the automation of scheduling and management of court appearances. To submit a quote, please email oag.fiscal@njoag.gov by October 13, 2021 7:30am.
