

## **Federal Equal Employee Opportunity Plan (EEO)-Reporting Tool Pause Announcement**

The Department of Law & Public Safety is aware of the current temporary pause in the collection of required EEO information (per 28 C.F.R. Part 42, Subpart E,) via the Department of Justice, Office of Justice Programs, EEO website's Notice dated March 11, 2025. In lieu of this temporary pause, the Department is still processing award documents that are subject to the EEO reporting requirements by having recipients sign a certification indicating they are aware of the requirement and will comply if, and when, DOJ makes the Reporting Tool available for use again.
